Outsourced fax

- Fax on Demand connector to send faxes through the Esker outsourced fax service

- Uses HTTPS Internet connection, no proxy server

VSI-FAX Server Administration

Computer hardware

- **CPU:** Intel CoreTM i3 3.30 GHz dual core or higher

- **Memory:** 2 GB RAM

- **Hard disk space:** 25 MB

- **Network interface card:** 100baseT or higher, configured with the latest drivers for your platform

Qualified and recommended platforms

- Microsoft Windows 10

- Microsoft Windows 8, 8.1

- Microsoft Windows 7 SP1

LanFax Windows Client

Computer hardware

- **CPU:** Intel CoreTM i3 3.30 GHz dual core or higher

- **Memory:** 2 GB RAM (4 GB recommended)

- **Hard disk space:** 100 MB

- **Network interface card:** 100baseT or higher, configured with the latest drivers for your platform

Qualified and recommended platforms

- Windows Server 2016 with Desktop Experience and with or without Desktop Services

- Windows Server 2012/2012 R2 (Essentials Edition, Standard Edition, or Datacenter Edition) with the latest Windows updates installed, with or without Remote Desktop Services

- Windows Server 2008 R2 (Standard Edition, Enterprise Edition, or Datacenter Edition) with the Service Pack 1 and the latest Windows updates installed, with or without Remote Desktop Services

- Microsoft Windows 8, 8.1

- Microsoft Windows 7 SP1

CoverMaker

Qualified and recommended platforms

- Microsoft Windows 8

- Microsoft Windows 7 SP1

MailMerge Client

Computer hardware

- **CPU:** Intel CoreTM i3 3.30 GHz dual core or higher

- **Memory:** 2 GB RAM (4 GB recommended)

- **Hard disk space:** 100 MB

Qualified and recommended platforms

- Microsoft Windows 10:

    - Office 2016

- Microsoft Windows 8, 8.1:

    - Office 2013

    - Office 2010

- Microsoft Windows 7 SP1:

    - Office 2010

    - Office 2007

    - Office 2003
